“Learning meets A&I Reality!”

ARIES project event

2023-1-IT02-KA220-SCH-000159590

Come and get to know how Augmented Reality (AR) and Immersive technologies can help you make your teaching more engaging, interactive, and stimulating for your secondary school students! This event will be an opportunity to discover the ARIES project (Augmented and Immersive Reality for Improved Education in Schools in Europe) and how these technologies can revolutionize teaching and learning.

Join the future of education and the transformative potential of the ARIES project!

When: 16th October 2024, 10 – 11 CET

Agenda

- 10.00 – 10.10: ARIES project presentation: why such a project, activities and expected results
- 10.10 – 10.20: Your Augmented & Immersive reality experiences: speak up!
- 10.20 – 10.35: Audience’s voice vs ARIES preliminary results
- 10.35 – 10.50: The experience of ITET Caruso (concrete examples)
- 10.50 – 11.00: Q&A

Zoom session
